## INSPIRED BY A LEGEND

Quincy Jones, musician, artist, humanitarian, is an American icon. His productions, which include the bestselling album, *Thriller*, and single, “We Are the World”, of all time, have won an unprecedented 79 GRAMMY® nominations and 27 Grammy awards, more than any other living artist. His list of notable productions, achievements, and awards is unrivaled in the music industry, and the list of legendary and contemporary artists with whom he has worked includes Akon, Mary J. Blige, Ray Charles, Miles Davis, Duke Ellington, Ella Fitzgerald, Michael Jackson, LL Cool J, Ludacris, Paul McCartney, Frank Sinatra, Usher, Sara Vaughan and Amy Winehouse, among many others.

# AKG N90<sup>Q</sup> WHEN THE BEST DEMAND THE BEST

Headphones are my tools to create and experience the art of audio.

Like tools, every headphone is unique and provides a different signature sound.

The AKG N90, developed by the leading headphone company in the industry, puts technology at the forefront that sets a new benchmark for customizing the audio experience.

With a simple movement, the headphones adjust to the sound optimizing the experience for each track and providing an unparalleled customized experience.

## CHANGING THE WAY THE WORLD LISTENS

- World's first headphone with personalized sound
- Ultimate reference class sound performance, optimized to the anatomy of each individual
- Customizable sound, developed in collaboration with Quincy Jones
- Patented Harman technology (5 patents)

Introduction date: July 2015

MAP: \$ 1299

World's first headphones with personalized sound

Sound reproduction optimized to user's anatomy

Extremely accurate sound reproduction

Easily adjustable sound signature according to the music genre

Usage of Harman patented technologies in:

- music rendering and imaging
- headphones equalization
- auto-calibrating noise-cancelling
- ear cushion (dual foam)

Comfort and convenience  
(dual foam ear cushions, controls on ear cups, power bank for continuous listening possible, recharging via USB, carrying case)
