## Home Cinema System

# Get to the heart of the action !

**Infinity HCS 1** brings new levels of excitement to all your multimedia listening and viewing.

Featuring an active subwoofer and five stylish, compact loud-speakers for consistently fine performance across the full audio frequency range, **Infinity HCS 1** offers uncompromising stereo and surround sound.

### HCS 1 in detail

- **Five identical compact satellite loudspeakers** for discreet installation and three-dimensional surround sound
- **Fully shielded satellites** for use near TV screen
- **Active subwoofer** with 8" bass driver and built-in 75 Watt power amplifier.
- HCS 1 brings to life the dynamic digital sound of DVD and all high quality audio-visual media
- HCS 1 speaker cables are factory fitted with **EUR proof connectors** for your safety and your convenience.

(The system includes three 5-meter front speaker cables and two 10-meter surround speaker cables).

### HCS 1 Power

The **Infinity HCS 1** powered subwoofer delivers forceful deep bass for music and movie sound that integrates seamlessly with the mid and high frequencies of the ultra-compact satellites.

### HCS 1 "Surround" sound

Connected to an AV receiver with Dolby Pro Logic, Dolby Digital or DTS decoding, **Infinity HCS 1** unleashes the full potential of Surround Sound Home Entertainment.
